Mr. William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

I am writing on behalf of my constituent, Mr. William P. Ford, of Upper Montclair, New Jersey.

As you may already be aware, Mr. Ford's sister, Ita, was one of the American women slain in El Salvador in December 1980. Although we have tried to assist Mr. Ford in the subsequent investigation of this incident, he has written to me that he has continually received inadequate information from our government.

My reason for writing today is to respectfully request that Mr. Ford be furnished as soon as possible with any documents relevant to the murders and the investigation. Such a disclosure of appropriate documents should prove beneficial to all.

I look forward to your early response in this matter.

With kind regards, I am

Sincerely yours,

Joseph G. Minish, M.C.
